

# GROWING A BRIGHTER FUTURE

**Support the Huntington's  
community in Canada -  
Be a part of the search for a cure.**

Proceeds from the purchase of this quality "Orange Sovereign" amaryllis supports vital programmes in research, for a cure for tomorrow, and family services for people coping with Huntington disease today. Huntington disease is a debilitating genetic brain disorder touching the life of one in every 1,000 Canadians.

Amaryllis plants are a great gift idea. For family, coworkers, staff or even as a hostess gifts, these beautiful plants will brighten the day of the recipient, while bringing colour into the life of HD families at the same time.

**Each kit comes in an attractive gift box and contains:  
Bulb, Pot & Soil and Care Instructions \$12.<sup>00</sup> Taxes included**

For more information on Huntington disease or  
your Amaryllis Kit please contact:
